

Community Design Options Workshop

East Fenwick Secondary Plan Study

Pelham Fire Station 2

766 Welland Road, Fenwick, Ontario

September 30, 2017 • 1-3 p.m.

You're invited to come to the Community Design Options Workshop to continue to learn about this study and to provide input on the community design ideas that will shape the future development of the area.

The Community Design Workshop session will commence with an introductory presentation to:

- the study's objectives;
- the study's healthy & sustainable community design principles;
- ideas received to date; and
- an overview of the draft community design options developed

The presentation will be followed by a working session intended to obtain your input on the draft concept ideas put forward.
