

# ? How To: Read a Schedule

Inbound means the bus is traveling East/South toward Welland

Outbound means the bus is traveling West/North toward Fenwick or North Pelham

Schedules are read up and down

Flat lines at the end of arrows indicate a "break" in the route

Follow the arrow to determine which direction the bus is traveling and the corresponding pick-up or drop-off times

Each row represents one bus stop along the route

Red dots indicate the bus is stopping at the corresponding time

Rows are colour-coordinated according to region

Follow the row left to right to determine what times the bus stops at that location throughout the day. Be sure to check the direction that the bus is traveling using the black arrows

Each column represents half of a trip, from one end of the route to the other

Loops indicate the bus is turning around to continue the route in the opposite direction
