
Town of Pelham gears up for full Summer Camp schedule.

FOR IMMEDIATE RELEASE

February 25, 2022

Pelham, ON – The Town of Pelham day camp registration is now open for Summer 2022. The highly anticipated specialty camps with the popular weekly summer programs are offered for nine weeks from July 4 to September 2, 2022.

"Summer Camp staff are looking forward to welcoming back campers this Summer. Camp is an opportunity for youth to experience new things, make new friends and enjoy summer days filled with fun. The weekly programs are designed to keep campers engaged and excited to come to camp each day," said Town of Pelham, Active Living Programmer Brittany MacLean.

Pelham's summer camps run from 9:00 a.m. until 4:00 p.m. daily, with extended care available. Each week youth ages 4 to 12 experience the fun and adventure of camp with activities, sports, and special presentations. Camps take place at the Meridian Community Centre and in additional Town facilities such as the pool and park spaces. Specialty camps returning this year include some unique opportunities ranging from Bike camp, junior Fire firefighter camp and animal adventure camp. The leadership camp, including High5 certification, is offered exclusively for ages 13+ and provides participants interested in building their confidence and leadership potential in a camp and pool setting.

Registration is open for Pelham residents and will expand to those residing outside Pelham on March 4, 2022, and is offered on a first-come, first-serve basis. The Town of Pelham continues to adhere to provincial and public health requirements related to COVID-19 and youth camps. If camp capacities are reached, waitlists will be available. Those Pelham residents who may require financial assistance for summer camp can apply through Pelham Cares if they meet eligibility requirements.
