

# How To Vote

---

In the 2018 Municipal Election, Pelham voters will be required to go to the voting location to cast their ballot.

## Voting is easy!

1. Go to the correct **voting location (link to voting locations)** with your voter notice and a piece of **identification (link to id requirements)**.
2. The election official will search your name on the Voters' List and mark you as voting. You may check the voters list to confirm your information **here (link to voter lookup)**
3. The election official will give you the appropriate voting ballot.
4. You will go behind the voting screen and mark your ballot.
5. Once you have finished marking your ballot, you will hand your ballot to the vote tabulator officer for processing.
6. The machine will tabulate all ballot results at the end of Voting Day.

If you do not receive a voter notice, you may not be on the Voters' List. To be added to the list, contact the **Clerk (link to an email to me)**.
