Message from the Mayor and CAO

The Corporation of the Town of Pelham is pleased to present the 2024 Annual Financial Report. This document provides a comprehensive review of the Town's financial performance and outlines key accomplishments and strategic advancements undertaken over the past year in support of Pelham's continued growth and development.

The past year marked a significant step forward in realizing the ambitions of the 2023–2027 Strategic Plan. Town Council and staff worked diligently throughout 2024 to advance key priorities identified in the plan, ensuring that critical initiatives were implemented to support Pelham's continued growth and resilience. As a result of these efforts, Council completed an update to the Strategic Plan in early 2025, setting a renewed course for the remainder of this Council term and reinforcing a commitment to forward-thinking, community-driven leadership.

A notable achievement in 2024 was the continued success in securing external funding for local initiatives. The Town of Pelham received \$493,406 in grant funding, enabling important projects to proceed without increasing the tax levy. This reflects an ongoing focus on financial stewardship and maximizing value for residents. Throughout the year, Pelham's leadership team prioritized strong alignment between projects and budgets. This disciplined approach helped ensure meaningful results and maintained the Town's financial stability.

Among the many highlights of 2024 was the exceptional performance of the Meridian Community Centre (MCC), which welcomed the highest number of visitors since its opening. As a true gathering place for residents of all ages, the MCC continues to play a vital role in fostering community spirit. Additionally, enhancements to Centennial Park further established it as the hub for outdoor recreation in Fenwick, promoting active living and community engagement.

Pelham remains a unique and vibrant community in the heart of Niagara, where rural charm meets urban opportunity. With a growing population of over 18,000 residents across five distinct communities, Pelham continues to thrive as a place residents are proud to call home. The Town's commitment to being a caring, active, and sustainable community is not just a vision, it is reflected in every project, every plan, and every step forward.

The accomplishments of 2024 are a testament to the dedication and collaborative spirit of all those who serve the community and a reflection of the values and aspirations of Pelham residents. The Town of Pelham is proud of the progress made and looks forward to building on this momentum in the year ahead.

Marvin Junkin, Mayor

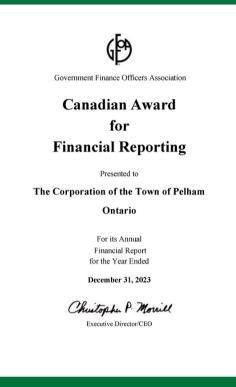

David Cribbs, BA, MA, JD, MPA, MA (Lead), CMM III CAO

Dated: June 18, 2025

Awards

Government Finance Officers Association of the United States and Canada (GFOA) awarded a Canadian Award for Financial Reporting to the Corporation of the Town of Pelham for its annual financial report for the fiscal year ended December 31, 2023. The Canadian Award for Financial Reporting program was established to encourage municipal governments throughout Canada to publish high quality financial reports and to provide peer recognition and technical guidance for officials preparing these reports.

In order to be awarded a Canadian Award for Financial Reporting, a government unit must publish an easily readable and efficiently organized annual financial report, whose contents conform to program standards. Such reports should go beyond the minimum requirements of generally accepted accounting principles and demonstrate an effort to clearly communicate the municipal government's financial picture, enhance an understanding of financial reporting by municipal governments, and address user needs.

A Canadian Award for Financial Reporting is valid for a period of one year only. We believe our current report continues to conform to the Canadian Award for Financial Reporting program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

The Town of Pelham 2023 Financial Information Return (FIR) received the FIR Award from the Ministry of Municipal Affairs and Housing which recognizes municipalities for their efforts and contribution in supporting the submission of timely financial information.

The Town continues to receive recognition for projects, and festivals that have provided excellence in delivery, usability, and innovation. Strategic priorities have been transformed into awardwinning projects and include a Gold dotComm award, a MarCom Gold award and a Festivals and Events Ontario top 100 award.

Legislative Authority and Town Council

The Corporation of the Town of Pelham is one of the 12 local area municipalities that form the Region of Niagara. Pelham Township was part of the original Lincoln County since the late 1780s. The Town of Pelham was established in 1970, unifying five historical communities: Fonthill, Ridgeville, Effingham, North Pelham and Fenwick into a single town covering 126.42 square kilometres. This integration brought together a mix of farming, growing commercialism and urban development.

Mayor Marvin Junkin

Ward One Councillor Kevin Ker

Ward One Councillor Wayne Olson

Town of Pelham Council for the 2022-2026 Term

The Town is represented by a Mayor and six Councillors from three wards. The Chief Administrative Officer (CAO) is appointed by Council to oversee the management and operation of the corporation.

As the municipality's top administrative position, the CAO advises Council and staff on all municipal programs and services.

Ward Two Councillor Brian Eckhardt

Ward Two Councillor John Wink

Ward Three Councillor Bob Hildebrandt

Ward Three Councillor Shellee Niznik

The Senior Leadership Team at the Town of Pelham consists of the Chief Administrative Officer and seven Directors who are responsible for implementing the direction set out by the Town of Pelham Council, including the provision of high-quality community-focused services and overall leadership to the organization.

The Senior Leadership Team administers the Town's operating and capital budgets and is responsible for implementing the goals and objectives outlined in the Town's Strategic Plan.

About The Town of Pelham

Located in the heart of Niagara is the Town of Pelham, a fusion of rural and urban areas in five communities. Pelham offers residents a unique lifestyle rich with history, agriculture and natural beauty. Its central location makes it an ideal community for commuters, lifelong residents, and businesses. With a range of services, facilities, parks, trails and award-winning events, Pelham embraces progress while preserving a small-town feel.

Mission

Pelham - a caring, active and sustainable community.

Vision

Pelham promotes an exceptional quality of life and values its people, their experiences and the environment.

Values

Collaborative - Inclusivity - Integrity - Respectful - Resilient

Strategic Plan

The strategic plan guides the decision-making and the work to be done within Pelham. The plan allows the community to measure performance each year and includes action items in five priority areas.

Enhancing Capacity & Future Readiness

Enhancing capacity and future readiness ensures that the municipal corporation will be able to meet the future needs of the community. A proactive approach with progressive management, utilization of technology and celebration of people will provide the framework to achieve this outcome.

Financial Health

Financial reserves, levels of debt and property taxes collectively form the Town's financial health. Continuous improvement of these financial metrics builds the foundation for a brighter future in Pelham.

Environmental & Climate Adaptation

By focusing on environmental and climate adaptation, the Town of Pelham will prioritize actions that will continue to protect and conserve the natural heritage and resources in Pelham. Priorities of the Town in this area will provide the foundation for a clean, safe and sustainable environment for present and future generations.

Community Development & Growth

The future of Pelham will be determined by how development and growth pressures are managed. The central challenge will be to achieve measured growth of the community while protecting the high quality of life presently enjoyed by residents.

Infrastructure Investment & Renewal

The Town of Pelham is home to a network of roads, trails, parks and community infrastructure that supports the residents. This strategic priority seeks to ensure that funding resources are sufficient to meet the maintenance, replacement and future needs of Pelham's infrastructure.

Together, the Strategic Priorities provide areas of emphasis designed to help achieve the vision over the term of council. Each priority contains a set of action items which are specific tasks to advance the areas of strategic focus.

Section Two: Financial Report

- Message from the Treasurer
- Financial Management Process
- Financial Overview
- Consolidated Financial Statements
- Trust Funds Financial Statements

Message from the Treasurer

The Town of Pelham ("the Town") is pleased to present its Annual Financial Report for the year ended December 31, 2024. This report has been prepared by management in accordance with the Municipal Act and the Public Sector Accounting Board (PSAB) of Chartered Professional Accountants (CPA) Canada.

The Annual Financial Report communicates to stakeholders and residents the Town's 2024 financial performance and information regarding significant policies and processes. The 2024 financial results demonstrate the financial resiliency and sustainability in the Town not only maintaining its financial strength during a pandemic year but also excelling in improving its financial position.

The Town and Niagara Region provide municipal services to Pelham taxpayers. The Niagara Region is exclusively responsible for garbage collection and disposal, water treatment, wastewater services, policing, and social services. The Town's Financial Statements do not include the cost of Niagara Region services.

Pelham's property tax bill includes levies for the Town, Niagara Region, and the Province of Ontario (for education purposes). The Town's 2024 levy impact on a typical residential property was approximately 39.4% of the total property tax bill.

Grant funding is an important focus for the Town. 55 grant applications were applied for in 2024 in the amount of \$58.2 million. Of which 18 were approved in the amount of \$493,406 and 27 were denied in the amount of \$46.7 million. The Town also supported 3 grant applications for other Pelham groups.

The net debt of the Town decreased from \$10.0 million to \$7.3 million, resulting from an increase in financial assets of \$5.4 million and a increase in financial liabilities of \$2.7 million. This has been a significant accomplishment for the Town and is primarily the result of increased transfers to reserves, restraint in taking out debt, and some delays in capital projects. The Financial overview shows the Town's significant net debt reduction over the past 5 years from \$18.5 million in 2020 to \$7.3 million in 2024.

The Town's financial statement surplus of \$8.3 million exceeded budget, and is primarily a result supplemental taxation, interest, and recreation program revenues which exceeded budget, and unbudgeted grants.

The Town has \$12.7 million of capital projects being carried forward to 2025. \$3.7 million of these projects are red-circled waiting for a grant to proceed. A large project Quaker Road in the amount of \$2.5 million will be completed in 2025.

Teresa Quinlin-Murphy, FCPA, FCA, MBA Director Corporate Services & Treasurer

Dated: June 18, 2025

Financial Management and Control

Budget

Council has sole authority to allocate funds through the annual operating, capital, and utility rate supported budget approval process. The Town's budget is prepared by each department initially, driven by the Town Strategic Plan, input from residents, departmental initiatives, and long-term financial goals. The budget is reviewed by the Senior Leadership Team and presented to Council for review, modification if necessary, and approval. The annual budget is balanced, as required by the Municipal Act, 2001, S.O. 2001, c.25, as amended ("the Municipal Act"), so that revenues equal expenditures for the budget year.

The 2024 water and wastewater operating budgets were approved by Council on February 22, 2024, and the 2024 tax rate supported operating budget was approved by Council on December 20, 2023. The 2024 capital budgets were also approved by Council on December 20, 2023. Pelham's budget is prepared on a modified cash basis to ensure the Town collects enough tax revenue to cover its cash needs and meet its obligations. This includes budgeting for any principal debt repayments and any required transfers to or from reserves. Conversely, the Town does not budget for amortization and its annual impact on tangible capital assets, changes in employee future benefit liabilities, and other minor adjustments which are primarily non-cash items. The Town is required to adjust its presentation of the budget in the financial statements to be in accordance with Canada Public Sector Accounting Standards (PSAS). Note 15 to the consolidated financial statements.

Accounting and Internal Controls

Management of the Town of Pelham is responsible for the integrity, objectivity and accuracy of the financial information presented in the accompanying consolidated financial statements. The financial statements and accompanying notes have been prepared by management within the framework of the accounting principles and requirements of the PSAS as recommended by CPA Canada.

To meet its responsibility, management maintains a system of internal controls designed to ensure that assets are safeguarded, and transactions are properly authorized and recorded in compliance with legislative and regulatory requirements. The financial management and control systems of the Town are governed by various by-laws, policies and procedures. The Town's systems of internal controls are monitored and evaluated by management and are subject to independent audit.

Staff regularly provide financial reports to Council, and clearly compare budgets with actual results along with commentary on variances from budget and forecasts. Staff have been consistently making improvements to the Town's financial reporting capabilities through the implementation of software and report automation, which allows for more frequent financial reporting to Council to aid in decision-making and provides the public with an understanding of how their tax dollars are spent.

External Audit

The Pelham Finance and Audit Committee is a Committee of Council, composed of three Councillors and three citizen representatives and is responsible for providing oversight, review, and recommendations to Council regarding:

- The selection and appointment of auditors
- The audit results and the management letter (if applicable)

The *Municipal Act* requires that the Town appoint an independent auditor licensed under the *Public Accounting Act*, 2004, to express an opinion as to whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes their opinion.

Deloitte LLP, Chartered Professional Accountants, was appointed by Pelham Town Council to express an audit opinion on the Town's consolidated financial statements for the year ended December 31, 2024.

2024 Financial Overview

The Town of Pelham's consolidated financial statements have been prepared in accordance with the reporting standards set by the Public Sector Accounting Board (PSAB) of CPA Canada. The four required financial statements include: the consolidated statement of financial position, the consolidated statement of operations, the consolidated statement of change in net debt, and the consolidated statement of cash flows. These consolidated statements provide information on the financial position and activities of the Town of Pelham. In addition, the notes to the consolidated financial statements provide additional information and form an integral part of the statements.

The consolidated financial statements include the Lincoln Pelham Public Library Board, which is a joint board, is proportionately consolidated. On January 1, 2023 the Lincoln Pelham Library Board took over the operations of the Pelham Library. Niagara Central Airport Commission, which is a joint board, is proportionately consolidated. Peninsula West Power Inc., a subsidiary corporation of the Town, is accounted for on a modified equity basis consistent with the generally accepted accounting treatment for government enterprises.

The following is a high-level overview of the 2024 financial results for Pelham.

Consolidated Statement of Financial Position

The consolidated statement of financial position reports on the Town of Pelham's financial and nonfinancial assets, liabilities and accumulated surplus at December 31, 2024.

Financial Assets

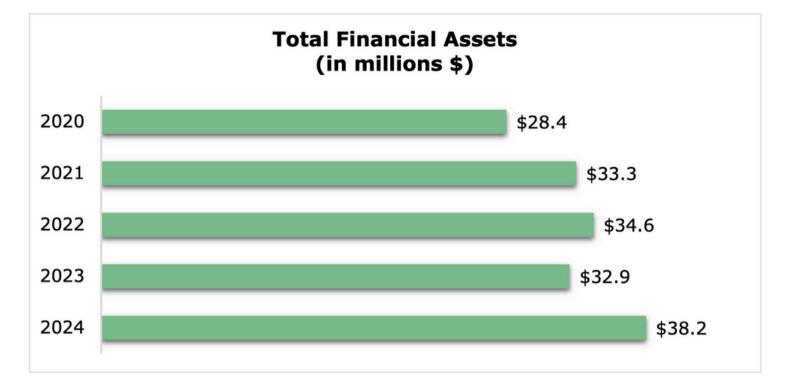

Financial assets in 2024 were \$38.2 million (2023: \$32.9 million), a \$5.3 million increase over the prior year. This was primarily due to an increase in cash because of some capital projects being deferred to 2025.

Taxes receivable increased by \$0.19 million because of water arrears being added to taxes.

User charges receivable increased by \$0.24 million since the Town does not shut water off for overdue accounts but they are collected when the arrears balance is added to property taxes.

The \$0.48 million decrease in accounts receivable is primarily due to grants receivable. This receivable fluctuates depending on the timing of the completion of the projects and receipt of grant claims.

The investment in subsidiary, Peninsula West Power Inc. (PWPI), increased because of equity earnings in the subsidiary that exceeded dividends received by \$0.19 million.

The chart illustrates the 5-year trend in total financial assets.

Financial Liabilities

Liabilities in 2024 were \$45.6 million (2023: \$42.9 million), a \$2.7 million increase from the prior year.

Accounts payable and accrued liabilities increased by \$1.33 million primarily due to an increase to the Niagara Region for Development Charges of \$2.43 million which is offset by a decrease in construction payables of \$1.1 million.

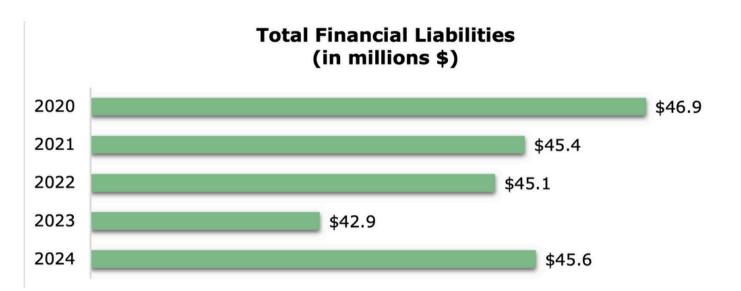

Other liabilities increased by \$0.34 million due to higher deposits held in trust.

Deposits and deferred revenue increased by \$0.26 million due to an increase in grants being deferred at year end.

Deferred revenue – obligatory reserve funds increased by \$2.65 million as a result of development charge and parkland collections.

Long-term debt decreased by \$2.2 million due to principal payments on debt, while no new debt was issued in the year.

The following chart illustrates the five-year trend in total financial liabilities.

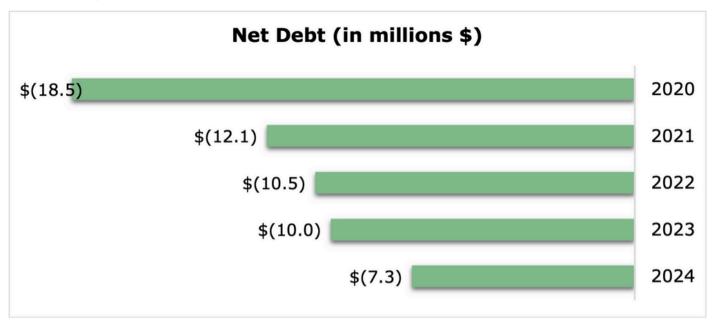

Net Financial Assets (Net Debt)

Net financial assets (net debt) represent the difference between the Town's financial assets and its financial liabilities.

The Town of Pelham ended the year in a net debt position (financial liabilities exceeded financial assets) of \$7.3 million, a decrease in net debt of \$2.7 million from the prior year. This change was the result of an increase in financial assets and a increase in financial liabilities from 2023.

Net Debt	2024	2023	Change	% Change
Financial assets	\$ 32,242,466	\$ 32,875,762	\$ 5,366,684	16.3%
Less financial liabilities	\$ (45,569,164)	\$ (42,865,615)	\$ (2,703,549)	6.3%
Net Debt	\$ (7,326,718)	\$ (9,989,853)	\$ 512,083	(26.7%)

The following chart illustrates the five-year trend in net debt.

Non-Financial Assets

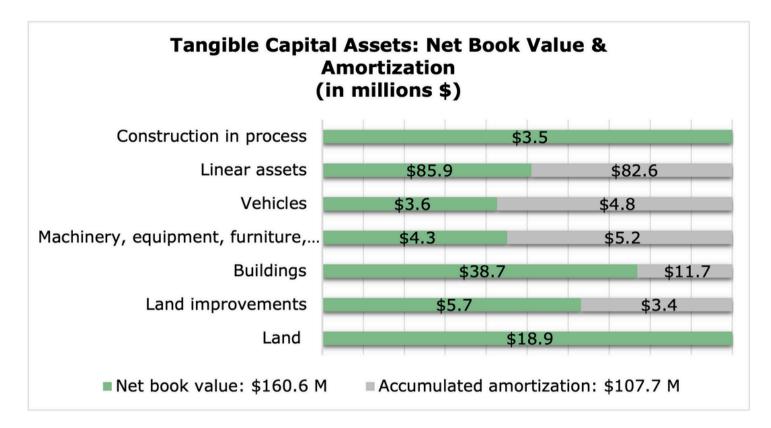

The Town's non-financial assets are comprised mainly of tangible capital assets as well as prepaid expenses. Prepaid expenses increased \$0.37 million in 2024 compared to 2023 because the Town's 18-month insurance policy had six months prepaid at the end of 2024 versus a zero balance in prepaid at the end of 2023.

The net book value of tangible capital assets, as reported in the consolidated statement of financial position, is \$160.6 million and is highlighted by category in the accompanying chart. The total historical costs are \$268.3 million, and the total accumulated amortization is \$107.7 million, implying that 40% of the estimated useful life of the Town of Pelham's capital assets has been utilized in the delivery of services. This is impacted by the Meridian Community Centre, which is a new asset with a high dollar value cost and does not necessarily represent the remaining useful lives of other assets. For example, the historical cost of linear assets, which include roads, water, storm sewer and sanitary sewer distribution networks is \$168.5 million, and the accumulated amortization is \$82.6 million, implying that 49% of the estimated useful life of the Town's linear assets have been utilized. As another example, 57% of the estimated useful life of the Town's vehicles have been utilized. A breakdown by category is available on the following page.

During the year, the Town of Pelham acquired \$23.5 million of tangible capital assets. There was one developers' contribution for new subdivisions in 2024 in the amount of \$1.5 million as compared to .58 million of developers' contribution in infrastructure assets in 2023. These contributed tangible capital assets were paid for by the developer and when the subdivisions were assumed they became the responsibility of the Town and were recorded at fair value at the date of contribution.

The total amortization expense, as reported in the statement of operations, amounted to \$6.2 million.

The following graph illustrates the breakdown of Tangible Capital Assets.

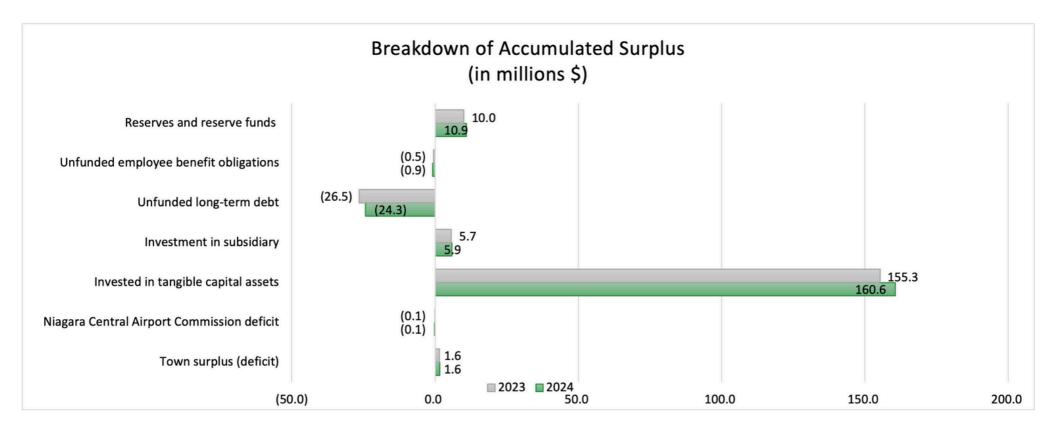

Accumulated Surplus

The Town of Pelham's accumulated surplus is composed of investments in reserves and reserve funds, investments in subsidiaries, investments in tangible capital assets, and a general Town surplus, which is offset by a deficit in the Library and Niagara Central Airport Commission as well as unfunded long-term debt and unfunded employee benefit obligations.

Reserves and discretionary reserve funds, as detailed in Note 9 to the consolidated financial statements, increased approximately \$0.8 million compared to 2023. This was due to mainly to a decrease from reserves to fund roads capital projects. These decreases are offset by an increased transfers to reserves, in-year transfers of items such as growth-related revenue from property tax supplemental revenues, interest income on investments and planning fees that will be needed to fund future expenditures, as well as capital projects which have not yet been completed but are still committed against the reserves.

Several capital projects were delayed due to some projects being deferred to 2025. The Town has approximately \$12.7 million in projects carrying forward to be completed in 2025 which were budgeted in prior years, of which \$12.0 million will be funded from these reserves. The remaining reserves and reserve funds are needed to fund future planned capital expenditures within the capital forecast, and some, such as the Building Department, Water, and Wastewater, are rate-supported and must be used for expenditures related to their rate charges.

Consolidated Statement of Operations

The consolidated statement of operations reports on the Town of Pelham's revenues, expenses, and surplus for the year and outlines the change in accumulated surplus.

Summary of Revenues and Expenses	2024	2023	% Change
Total revenue	40,018,962	39,256,150	1.9 %
Total expenses	31,703,965	30,079,867	5.4%
Annual surplus	\$ 8,314,997	\$ 9,176,283	
Accumulated surplus, beginning	145,447,728	136,271,455	
Accumulated surplus, ending	\$ 153,762,735	\$ 145,447,738	

Revenues

Revenues in 2024 were \$40 million (2023: \$39.3 million), an increase of \$0.7 million over the prior year. This is due to higher taxation, user charges, contributed tangible capital assets, and other revenues, and an increase contributed tangible capital assets including one subdivision assumed.

Property taxation for the year was 49% of total revenues, being the Town's most significant source of revenue. Property tax revenue was higher than budget because of supplemental taxation revenue, which is a result of growth in the Town, as well as additions, renovations and class changes that were not previously recorded on the assessment roll and are updated by MPAC.

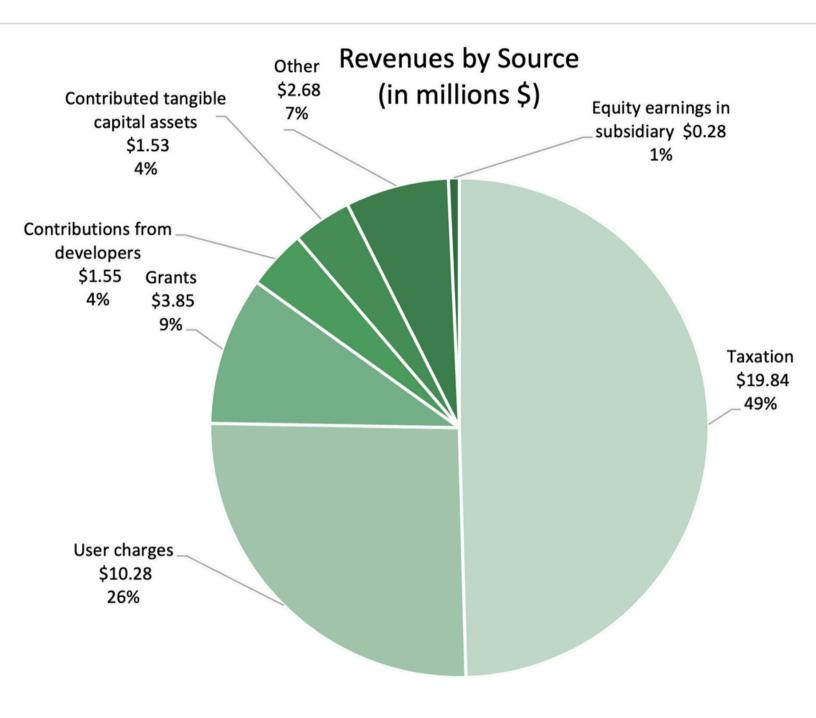

User charges, including all user charges collected by the Town for items such as water and sewer billings, building permits, and recreation facilities, represented 26% of total revenues. User charges were slightly higher than budget due to an increase in recreation fees from programs.

Grants for 2024 were 9% of total revenues and were fewer grants received in 2024 as projects were completed in 2024. Capital grants were lower than budget due to delays in capital projects and will be applied in the future when projects are completed.

Contributions from developers were 4% of total revenues and include items such as development charge revenues and parkland dedication revenues. Contributions from developers were lower since less capital projects were completed in 2024 that had developer contributions.

Other revenues, including penalties and interest on taxes, investment income, and donations, were 7% of total revenues. Other revenues exceeded budget because of increased investment income due to higher cash balances.

Equity earnings in the Town's subsidiary, PWPI, was below 1% of total revenues.

Expenses

Expenses in 2024 were \$31.7 million (2023: \$30.1 million), comparable to the prior year.

Of the Town's total expenses, 18% relate to general government, which includes corporate governance, management, and program support to other departments. General government expenses exceeded budget due to an increase in insurance claims, taxes written off and information technology increases in pre-existing software and licenses costs and the implementation of new software packages.

Protection to persons and property is 9% of the total and includes fire, protective inspection and control, emergency measures, and provincial offences. Protection to persons and property expenses exceeded budget due to additional costs for the volunteer firefighter points due to the number of emergency calls, turnover, and training requirements.

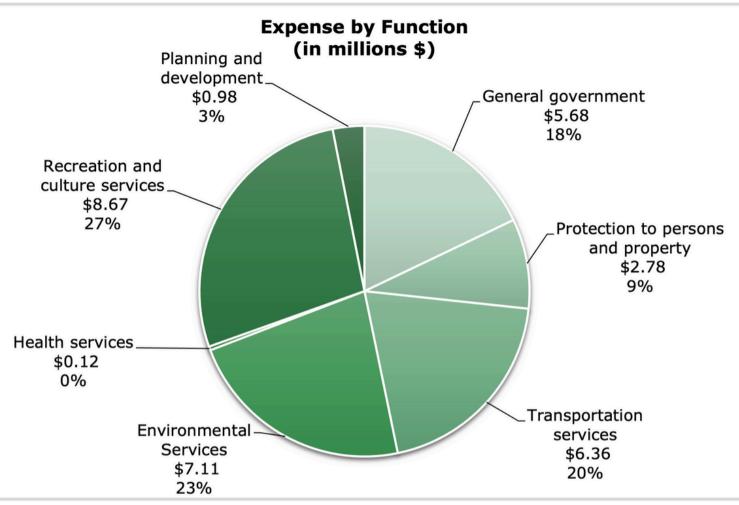

Transportation services, being 20% of the total, includes expenses for roads, winter control, transit, parking, street lighting, and air transportation. Transportation services is lower than budget due to salary savings in engineering and part-time staff in Beautification. This is partially offset by increase in winter control expenses and fleet maintenance.

Environmental services are 23% of the total and is comprised of water and wastewater expenses. Environmental Services expenses were slightly underbudget due to some salary, overtime and benefits savings.

Health services is 0% of total expenses and includes the cost of operating and maintaining the cemeteries. The health services expenses were slightly underbudget due to salary and benefits savings.

Recreation and culture services is 27% of the total and includes parks, recreation programs, recreation facilities, libraries, and cultural services. Recreation and culture services expenses slightly under budget due to salary and benefits savings.

Planning and development expenses are 3% of the total and include planning and zoning, commercial and industrial development, residential development, agricultural and reforestation, heritage matters, and municipal drainage. Planning and development expenses exceeded budget due to salary and benefits.

Annual Surplus

During 2024, revenues exceeded expenses resulting in a \$8.3 million surplus, a \$.86 million decrease in annual surplus from the prior year. This decrease was primarily the result of decrease in grant revenue which is dependent on the approved grant projects for the year.

The annual surplus on the consolidated financial statements is different than the operating budget surplus presented in the year-end report to Council, because the financial statements are presented in accordance with PSAB standards, while the Town's operating budget results are reported on a modified cash basis and includes other expenditures such as principal payments on debt and reserve transfers, which are not expenses in the financial statements, and excludes items such as amortization and the gain or loss on disposal of assets. A detailed reconciliation of the approved budget to the budget amounts reported in the consolidated financial statements is available in Note 15 to the statements.

The Town's accumulated surplus at the end of 2024 was \$153.8 million. It is important to note that accumulated surplus cannot be construed as "cash" or "funds available", as the majority of this surplus is for tangible capital assets which are not available to discharge existing liabilities; rather, these assets are used in the provision of Town services.

Consolidated Statement of Change in Net Debt

The consolidated statement of change in net debt provides detailed information on the use or acquisition of non-financial assets and their impact on the net financial position of the Town. Net debt decreased by \$2.7 million in 2024 compared to 2023. This was primarily impacted by the annual surplus as well as the acquisition of tangible capital assets of \$10.0 million, and amortization of tangible capital assets of \$6.2 million.

Consolidated Statement of Cash Flows

The consolidated statement of cash flows shows the impact that transactions had on the Town's cash position during the year. It reconciles the annual surplus to the cash balance reported on the consolidated statement of financial position, and highlights the use of cash for operating, capital, investing, and financing activities. Total operating activities decreased cash by \$1.1 million, and this was used for the acquisition of tangible capital assets net of proceeds on disposal of \$10.0 million, as well as to decrease debt by \$2.1 million. The net impact was to increase cash and cash equivalents by \$5.2 million for an ending balance of \$24 million.

Trust Funds

The Town also administers trust funds, which are not consolidated with the Town's financial statements. These funds undergo a separate audit and their financial statements are also approved by Council. The financial statements for the Town of Pelham Trust Funds are found in the annual report. The most significant of these funds relate to Cemetery Care and Maintenance Funds held under the *Cemeteries Act (Revised), R.S.O. 1990.* Total trust funds administered by the Town at the end of 2024 were \$1.1 million (2023 - \$1.05 million).

Conclusion

In 2024, the Town's increase in cash from higher than budgeted revenue in the supplemental taxes and interest revenue and deferral of some capital projects.

No new debt was issued in the year, while principal payments on debt continued to be paid.

At the end of 2024, the financial statement surplus was \$8.3 million, debt that decreased by \$2.2 million, cash that increased by \$5.2 million, and a continued decrease in net debt of \$2.7 million. This reduction in net debt has been a significant focus for the Town of Pelham. The net debt has decreased in over the last five years by \$11.2 million bringing the balance to \$7.3 million.

Independent Auditor's Report

To the Members of Council of the Corporation of the Town of Pelham

Opinion

We have audited the consolidated financial statements of the Corporation of the Town of Pelham (the "Town"), which comprise the consolidated statement of financial position as at December 31, 2023, and the consolidated statements of operations, change in net debt and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies (collectively referred to as the "financial statements").

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Town as at December 31, 2023, the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards ("PSAS").

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards ("Canadian GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Town in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements that are relevant to our audit of the consolidated financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with PSAS, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Town's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Town to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Town's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Town's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Town to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Town to express an opinion on the consolidated financial statements. We are solely responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying notes to the consolidated financial statements are an integral part of this consolidated financial statement.

Notes to the Consolidated Financial Statements

For the Year Ended December 31, 2024

1. Significant accounting policies

The Corporation of the Town of Pelham ("the Town") is a municipality that provides municipal services such as fire, public works, planning, parks and recreation, library and other general government operations.

The consolidated financial statements of the Town are the representation of management prepared in accordance with Canadian public sector accounting standards ("PSAS"). Significant aspects of the accounting policies adopted by the Town are as follows:

a. Basis of consolidation

These consolidated financial statements reflect the assets, liabilities, non-financial assets, revenues, and expenses and include all activities of all committees of Council and the following local boards and municipal entities which are under the control of Council:

i. Niagara Central Airport Commission (Joint Board)

Related party transactions are eliminated (Note 16).

ii. Peninsula West Power Inc.

Peninsula West Power Inc., a subsidiary corporation of the Town is accounted for on a modified equity basis, consistent with the generally accepted accounting treatment for government enterprises (Note 3). Under the modified equity basis, the business enterprise's accounting principles are not adjusted to conform with those of the Town, and interorganizational transactions and balances are not eliminated.

iii. Lincoln Pelham Union Public Library (from March 7, 2022 onward)

Effective March 7, 2022, the Lincoln Pelham Union Public Library (LPPL) was established pursuant to and in accordance with the provisions of the *Public Libraries Act* to serve Lincoln and Pelham. The Lincoln Pelham Union Public Library board commenced operations effective January 1, 2023. This board is under the management and control of a union board as described in the *Public Libraries Act*, which is a corporation incorporated pursuant to the Non-for-Profit Corporations Act, 2010, S.O. 2010 C.15. Lincoln and Pelham are responsible for their proportionate share of the operating budget based on population. For 2024, Lincoln's portion is 58% and Pelham's portion is 42%. The library facilities will remain the responsibility and asset of the respective municipality.

These consolidated financial statements exclude trust funds that are administered for the benefit of external parties (Note 17).

b. Basis of accounting

The consolidated financial statements are reported on the accrual basis of accounting. The accrual basis of accounting recognizes revenues as they become available and measurable; expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

Notes to the Consolidated Financial Statements

For the Year Ended December 31, 2024

1. Significant accounting policies (continued)

c. Deferred revenue - obligatory reserve funds

Receipts which are restricted by legislation of senior governments or by agreement with external parties are deferred and reported as restricted revenues. When qualifying expenses are incurred, restricted revenues are brought into revenue at equal amounts. Revenues received in advance of expenses which will be incurred in a later period are deferred.

d. Employee future benefits

The present value of the cost of providing employees with future benefit programs is expensed as employees earn these entitlements through service. The cost of the benefits earned by employees is determined using the projected benefit method pro-rated on service and management's best estimate of retirement ages of employees and expected health care and dental costs.

e. Cash and cash equivalents

For the purpose of the consolidated financial statements, the Town considers all short-term investments with an original maturity of three months or less to be cash equivalents.

f. Deposits and deferred revenue

Deposits and deferred revenue represent user fees and charges that have been collected but for which the related services have yet to be performed. These amounts will be recognized as revenue in the fiscal year the services are performed.

g. Non-financial assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

Notes to the Consolidated Financial Statements

For the Year Ended December 31, 2024

1. Significant accounting policies (continued)

h. Tangible capital assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to the acquisition, construction, development or betterment of an asset. The cost, less residual value of the tangible capital asset is amortized on a straight line basis over the estimated useful life as follows:

Classification	Useful life
Land improvements	15 to 40 years
Buildings	20 to 60 years
Machinery and equipment	7 to 40 years
Furniture and fixtures	5 to 10 years
Computer hardware	4 years
Computer software	5 years
Library collection	15 years
Linear assets	2 to 90 years
Vehicles	3 to 20 years

Half year amortization is charged in the year of acquisition and no amortization is taken in year of disposal. Assets under construction are not amortized until the asset is available for productive use.

The Town does not capitalize interest as part of the costs of its capital assets.

Tangible capital assets received as contributions are recorded at their fair market value at the date of receipt and also are recorded as revenue.

Works of art, artifacts, cultural or historic assets are not recorded as assets in the consolidated financial statements.

Leases are classified as capital or operating leases. Leases that transfer substantially all benefits incidental to ownership are accounted for as capital leases. All other leases are accounted for as operating leases and the related lease payments are charged to expenses as incurred.

i. Subdivision infrastructure

Subdivision streets, lighting, sidewalks, drainage and other infrastructure are required to be provided by subdivision developers. Upon completion they are turned over to the Town. The Town is not involved in the construction.

j. Reserves for future expenses

Certain amounts, as approved by Town Council, are set aside in reserves and reserve funds for future current and capital expenses.

Notes to the Consolidated Financial Statements

For the Year Ended December 31, 2024

1. Significant accounting policies (continued)

k. Government transfer payments

Government transfers are recognized as revenues by the Town in the period during which the transfer is authorized and any eligibility criteria are met. Government transfers are deferred if they are restricted through stipulations that require specific actions or programs to be carried out in order to keep the transfer. For such transfers, revenue is recognized when the stipulation has been met.

I. Local improvements

The Town records capital expenses funded by local improvement agreements as they are incurred. Revenues are recognized in the year they become receivable.

m. Tax revenue

Tax revenue is recognized on all taxable properties within the Town that are included in the tax roll provided by the Municipal Property Assessment Corporation, using property values included in the tax roll or property values that can be reasonably estimated by the Town as it relates to supplementary or omitted assessments, at tax rates authorized by Council for the Town's own purposes in the period for which the tax is levied.

n. Region and school board transactions

The taxation, other revenues, expenses, assets and liabilities with respect to the operations of the school boards and the Region of Niagara are not reflected in the accumulated surplus of these consolidated financial statements.

o. Development charges

Development charges, collected under the authority of Sections 33 to 35 of the Development Charges Act, 1997, are reported as deferred revenue - obligatory reserve funds in the consolidated statement of financial position in accordance with Canadian public sector accounting standards. Amounts applied to qualifying capital projects are recorded as revenue in the fiscal period in which the funds are expended on qualifying capital projects. Development charges will also be applied to cover costs for servicing debt including interest on borrowings and contributions to sinking funds to retire debt.

Notes to the Consolidated Financial Statements For the Year Ended December 31, 2024

1. Significant accounting policies (continued)

p. Asset Retirement Obligations

Asset Retirement Obligations (ARO) represent the legal obligations associated with the retirement of a tangible capital asset (TCA) that result from its acquisition, construction, development, or normal use. The tangible assets include but are not limited to assets in productive use, assets no longer in productive use, leased tangible capital assets.

The liability associated with an asset retirement obligation is measured with reference to the best estimate of the amount required to ultimately remediate the liability at the financial statement date to the extent that all recognition criteria are met. Asset retirement obligations are only recognized when there is a legal obligation for the Town to incur costs in relation to a specific TCA, when the past transaction or event causing the liability has already occurred, when economic benefits will need to be given up in order to remediate the liability and when a reasonable estimate of such amount can be made. The best estimate of the liability includes all costs directly attributable to the remediation of the asset retirement obligation, based on the most reliable information that is available as at the applicable reporting date. Where cash flows are expected over future periods, the liability is recognized using a present value technique.

When a liability for an asset retirement obligation is initially recognized, a corresponding adjustment to the related tangible capital asset is also recognized for underlying assets that have been recorded and reported within the TCA values presented in the financial statements. Through the passage of time in subsequent reporting periods, the carrying value of the liability is adjusted to reflect accretion expenses incurred in the current period. This expense ensures that the time value of money is considered when recognizing outstanding liabilities at each reporting date. The capitalized asset retirement cost within tangible capital assets is also simultaneously depreciated on the same basis as the underlying asset to which it relates. In circumstances when the underlying asset is fully depreciated, the ARO will be amortized over the estimated future life until the cash disbursement is made in the future to settle the obligation.

At remediation, the Town derecognizes the liability that was established. In some circumstances, gains or losses may be incurred upon settlement related to the ongoing measurement of the liability and corresponding estimates that were made and are recognized in the statement of operations. There is no impact to the Town as a result of the implementation of the ARO standard.

q. Management estimates

The preparation of these consolidated financial statements in accordance with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Significant estimates include accounts receivable, accrued liabilities, deferred revenue, employee benefit obligations and useful lives of tangible capital assets.

Notes to the Consolidated Financial Statements

For the Year Ended December 31, 2024

2. Accounting Policies Adopted During the Year

PS 3400 Revenue

This standard establishes guidance on how to account for and report on revenue. Specifically, it differentiates between revenue arising from transactions that include performance obligations and transactions that do not have performance obligations.

This standard has been adopted prospectively and therefore there is no change to the comparative figures for 2023. The adoption of this standard for the Town has resulted in the deferral of \$104,467 of building permit revenue in 2024. This is shown as an increase to deposits and deferred revenues in the statement of financial position and a reduction in user charges revenue in the statement of operations. Under the previous revenue recognition practice, this amount would have been recognized as revenue in 2024 upon receipt.

Previously, the Town recognized building permit revenue in full upon receipt. Under the new standard, revenue may only be recognized to the extent that the related performance obligations have been satisfied. Accordingly, the Town conducted a review of all building permits issued in 2024 and identified permits for which all required inspections were not completed as of December 31, 2024. A proportionate amount of revenue related to these permits was deferred to future periods, consistent with the requirements of the new standard.

3. Subsidiary operations

Peninsula West Power Inc. (PWPI), established by Council under Municipal By-law 2004-45, is an amalgamation of hydro-electric commissions from the Municipalities of Lincoln, West Lincoln and Pelham. PWPI owns a 25.5% share of Niagara Peninsula Energy Inc., which provides electric distribution services and wholly-owns Peninsula West Services Ltd. (PWSL), which provides water heater, sentinel lights and related services. The Town of Pelham has a 17% interest in PWPI.

The following table provides condensed supplementary financial information for Peninsula West Power Inc.:

	2024	2023
Financial position		
Current assets	\$ 1,810,169 \$	1,771,669
Capital assets	50,753	60,351
Investment	39,818,483	38,393,827
Total assets	41,679,405	40,225,847
Current liabilities		
Accounts payable and accrued liabilities	35,929	58,599
Future payments in lieu of taxes	6,822,738	6,532,770
Total liabilities	6,858,667	6,591,369
Net assets	34,820,738	33,634,478
Town of Pelham's interest - 17%	\$ 5,919,525 \$	5,731,360

Notes to the Consolidated Financial Statements

For the Year Ended December 31, 2024

3. Subsidiary operations (continued)

	2024	2023
Change in equity investment in subsidiary		
Revenues	\$ 170,819 \$	239,524
Expenses	(118,623)	(188,833)
Payment in lieu of income taxes	(223,867)	(251,736)
Loss from operations	(171,671)	(201,045)
Gain on investment	1,424,573	1,169,972
Net earnings	1,252,902	968,927
Dividends	(561,000)	(547,000)
Net increase in equity of subsidiary	691,902	421,927
Change in equity of subsidiary - 17%	\$ 117,623 \$	71,728

The financial position, long-term debt, capital lease and contingent liabilities information is as reported by Peninsula West Power Inc. at December 31, 2024 and the results of operations is as reported for the year ended December 31, 2024. The comparative financial position and results of operations figures are as reported by Peninsula West Power Inc. at December 31, 2023.

The following summarizes the Town's related party transactions with Peninsula West Power Inc. for the year. All transactions are in the normal course of operations, and are recorded at the exchange value based on normal commercial rates, or as agreed to by the parties.

	20	2023		
Electricity purchased	\$ -	\$	44,377	
Administration expense	-		6,360	
	\$ -	\$	50,737	

4. Line of Credit

The Town has an authorized revolving line of credit of \$11,500,000 (2023 - \$11,500,000) at prime minus 0.25%, of which \$11,500,000 (2023 - \$11,500,000) remained unused at year-end. The line of credit is secured by a borrowing by-law for operating line of \$11,500,000 held. Payment is due on demand.

Notes to the Consolidated Financial Statements

For the Year Ended December 31, 2024

3. Subsidiary operations (continued)

	2024	2023
Change in equity investment in subsidiary		
Revenues	\$ 170,819 \$	239,524

	\$ -	\$	50,737	

4. Line of Credit

The Town has an authorized revolving line of credit of \$11,500,000 (2023 - \$11,500,000) at prime minus 0.25%, of which \$11,500,000 (2023 - \$11,500,000) remained unused at year-end. The line of credit is secured by a borrowing by-law for operating line of \$11,500,000 held. Payment is due on demand.

Notes to the Consolidated Financial Statements

For the Year Ended December 31, 2024

5. Deferred revenue - obligatory reserve funds

A requirement of PSAS is that obligatory reserve funds be reported as deferred revenue. This requirement is in place as legislation restricts how these funds may be used and under certain circumstances these funds may be refunded.

The net change during the year in the legislatively restricted deferred revenue balances is as follows:

	De	evelopment charges	Parkland	С	Canada ommunity- Building Fund	Ontario Gas Tax	Other	2024 Total	2023 Total
Balance, beginning of year	\$	4,424,119	\$ 1,049,794	\$	553,679	\$ 64,558 \$	27,185	\$ 6,119,335 \$	6,520,304
Restricted funds received		4,497,711	579,059		580,412	-	754,783	6,411,965	4,509,850
Interest earned		77,422	55,228		20,177	3,222	5,375	161,424	173,289
Collection of receivable			(622,468)			-		(622,468)	(196,942)
Revenue recognized		(1,519,103)	-		(1,062,574)	-	(716,678)	(3,298,355)	(4,887,166)
Library Revenue recognized		(26,879)	-		-	-	-	(26,879)	-
Balance, end of year	\$	7,453,270	\$ 1,061,613	\$	91,694	\$ 67,780 \$	70,665	\$ 8,745,022 \$	6,119,335

Notes to the Consolidated Financial Statements

For the Year Ended December 31, 2024

6. Long-term debt

(a) The balance of net long-term debt reported on the consolidated statement of financial position is made up of the following:

	2024	2023
The Town has assumed responsibility for the payment of principal and interest charges on certain long-term debt issued by the Region of Niagara. At the end of the year, the outstanding principal amount of this debt is	\$ 24,274,670 \$	26,497,388

(b) The net long-term debt:

Debenture number	Purpose	Interest rates	Maturity dates	2024	2023
78-2014	Pelham St & Fire Stn #2	1.20% to 3.30%	2024	\$ -	\$ 199,471
75-2015	Fire Stn #3 & Pt Robinson	1.94%	2025	366,000	722,000
35-2016	Fenwick & Pt Robinson	1.20% to 2.40%	2026	1,234,069	1,831,272
72-2016	Meridian Community Centre	3.34%	2046	7,449,219	7,675,530
55-2017	Meridian Community Centre	3.22%	2047	10,246,168	10,543,098
59-2019	East Fonthill Roads	2.40%	2029	2,114,949	2,510,963
58-2020	Meridian Community Centre	1.98%	2040	2,864,265	3,015,054
				\$ 24,274,670	\$ 26,497,388

(c) Principal repayments due in each of the next 5 years and thereafter are as follows:

	0.074.000
2025	\$ 2,074,693
2026	1,752,359
2027	1,159,134
2028	1,191,275
2029	1,224,500
Thereafter	16,872,709
	\$ 24,274,670

The Town paid \$749,355 (2023 - \$862,053) of interest on long-term debt during the year.

Notes to the Consolidated Financial Statements

For the Year Ended December 31, 2024

7. Employee benefit obligations

The Town completes a valuation for accounting purposes annually using the projected benefit method prorated on service.

The valuation was based on a number of assumptions about future events, such as inflation rates, interest rates, medical inflation rates, wage and salary increases, and employee turnover and mortality. The assumptions used reflect management's best estimates. The main assumptions employed for the valuation are as follows:

Discount rate	beginning of year	4.00%
	end of year	4.00%
Medical cost increases	ultimate trend rate	7.00%

The post-employment benefit expense is reported as a component of expenses on the consolidated statement of operations. Composition of the amount is as follows:

	2024	2023
Current service cost	\$ 337,884 \$	(13,858)
Interest on post-employment benefit liability	20,259	21,180
Total expense related to post-employment benefits	\$ 358,143 \$	7,322

Vested sick leave benefits

Under the sick leave benefit plan, which was in place until 1994, unused sick leave could accumulate and employees were entitled to a cash payment. All the vested sick leave benefits have been paid out.

Post-employment benefit liability

The Town sponsors a defined benefit plan for post-employment benefits other than pensions for substantially all of its employees. The plan provides extended health and life insurance coverage to age 65 for full-time employees. The plan is unfunded and requires no contribution from employees. Total benefit payments for retirees during the year were \$20,733 (2023 - \$30,343).

Pension agreement

The Town makes contributions to the Ontario Municipal Employees' Retirement Fund (OMERS), which is a multi-employer plan, on behalf of 107 members of its staff. The Town also makes contributions to OMERS on behalf of 7 members of its library staff. The plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay. The Town accounts for its participation in OMERS as a defined contribution plan. The OMERS Plan ended 2024 with a funding deficit of \$2.9 billion (2023 - \$4.2 billion). The funded ratio increased to 98% in 2024, up from 97% in 2023. The primary reason for the increase in funded ratio is due to net return of 8.3% (\$10.6 billion). The amount the Town contributed to OMERS for 2024 was \$756,909 (2023 - \$666,913) for current service which is included as an expense in the consolidated statement of operations.

Notes to the Consolidated Financial Statements

For the Year Ended December 31, 2024

8. Accumulated surplus

Accumulated surplus consists of individual fund surplus (deficit) and reserves as follows:

	2024	2023
Surplus (deficit)		
Town	\$ 1,631,610 \$	1,559,003
Library (Note 21)	49,138	(26,327)
Niagara Central Airport Commission (Note 16)	(127,151)	(116,864)
	1,553,597	1,415,812

Notes to the Consolidated Financial Statements

For the Year Ended December 31, 2024

12. Collections for the Region of Niagara and school boards

Total taxation and development charges received or receivable on behalf of the Region of Niagara and the school boards were as follows:

	2024	2023
Region of Niagara	\$ 31,175,727 \$	25,987,785
School boards	5,740,111	5,659,692
	\$ 36,915,838 \$	31,647,477

The Town is required to levy and collect taxes on behalf of the Region of Niagara and the school boards. The taxes levied over (under) the amounts requisitioned are recorded as accounts payable (receivable).

The Town collects development charges on behalf of the Region of Niagara. Development charges collected in excess of those paid to the Region are recorded as accounts payable.

13. Grants

	Budget 2024 (Note 15)	Actual 2024	Actual 2023

15. Budget amounts

The operating and tax rate supported budgets were approved by Council on December 20, 2023 to establish the tax rates for the year. In addition, the tax rate supported capital budget was also approved by Council on December 20, 2023 and the water and wastewater operating budgets were approved by Council on February 21, 2024.

An amount for amortization expense has been added and is based on management's best estimate of amortization expense determined at the beginning of the year. Amortization expense was not included in the original Council approved budget.

Amounts included in the original Council approved capital budget which are not recognized as tangible capital assets are included in consolidated statement of operations under the appropriate functional expense category, while those recognized as tangible capital assets are include in the consolidated statement of change in net debt.

Notes to the Consolidated Financial Statements

For the Year Ended December 31, 2024

Notes to the Consolidated Financial Statements

For the Year Ended December 31, 2024

16. Niagara Central Airport Commission

The Niagara Central Airport Commission operates a two runway airport offering a year round fixed base operation. The Commission is funded by the four nearby municipalities, City of Welland, City of Port Colborne, Town of Pelham and the Township of Wainfleet. The Town of Pelham has a non-controlling interest in the airport of 18%.

The financial position information is as reported by the Niagara Central Airport Commission as at December 31, 2024 and the results of operations are as reported for the year ended December 31, 2024.

Notes to the Consolidated Financial Statements

For the Year Ended December 31, 2024

16. Niagara Central Airport Commission (continued)

The Town has recorded in the financial statements its 18% share of the Niagara Central Airport Commissions' assets, liabilities, accumulated surplus, revenues, expenses, and annual surplus.

The following summarizes the Town's related party transactions with the Niagara Central Airport Commission for the year. All transactions are in the normal course of operations, and are recorded at the exchange value based on normal commercial rates, or as agreed to by the parties.

	2024	2023
Grants	\$ 31,023	\$ 25,356
Donations	\$ 2,933	\$ 2,493

17. Trust funds

Trust funds administered by the Town amounting to \$1,105,822 (2023 - \$1,054,574) have not been included in the Consolidated Statement of Financial Position nor have these operations been included in the Consolidated Statement of Operations.

18. Contingencies

From time to time, the Town is the subject of litigation. In the opinion of management, any litigation outstanding, if successful, would not have a material impact on the financial statements.

19. Financial instruments

The Town's financial instruments consist of cash and cash equivalents, user charges and accounts receivable, accounts payable and accrued liabilities, other liabilities and long-term debt. It is management's opinion that the Town is not exposed to significant interest, currency or credit risks arising from these financial instruments. The fair values of these financial instruments approximate their carrying values.

Establishing fair value

The fair value of guarantees and letters of credit are based on fees currently charged for similar agreements or on the estimated cost to terminate them or otherwise settle the obligations with the counterparties at the reported borrowing date. In situations in which there is no market for these guarantees, and they were issued without explicit costs, it is not practicable to determine their fair value with sufficient reliability (if applicable).

Fair value hierarchy

The following provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Levels 1 to 3 based on the degree to which fair value is observable:

Level 1 – fair value measurements are those derived from quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 – fair value measurements are those derived from inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices); and

Level 3 – fair value measurements are those derived from valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs).

Notes to the Consolidated Financial Statements

For the Year Ended December 31, 2024

19. Financial instruments (continued)

The fair value hierarchy requires the use of observable market inputs whenever such inputs exist.

A financial instrument is classified to the lowest level of the hierarchy for which a significant input has been considered in measuring fair value.

20. Segmented information

The Town provides a diverse range of services to its citizens. The Consolidated schedule of segment disclosure has grouped various services into segments to provide a further breakdown of the revenues and expenses attributable to each segment. For each reported segment, revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis.

The services included in each segment are as follows:

(i) General government

General government is comprised of governance, corporate management and program support.

(ii) Protection to persons and property.

Protection is comprised of fire, protective inspection and control, emergency measures and provincial offences.

(iii) Transportation services

Transportation is comprised of roads, winter control, transit, parking, street lighting and air transportation.

(iv) Environmental services

Environmental is comprised of storm sewer systems and water collection.

(v) Health services

Health services is comprised of cemeteries.

(vi) Recreation and culture services

Recreation and culture is comprised of parks, recreation programs, recreation facilities, libraries and cultural services.

(vii) Planning and development

Planning and development is comprised of planning and zoning, commercial and industrial development, residential development, agricultural and reforestation, heritage matters and municipal drainage.

Notes to the Consolidated Financial Statements

Independent Auditor's Report

To the Members of Council of the Corporation of the Town of Pelham

Opinion

We have audited the financial statements of the Corporation of the Town of Pelham Trust Funds (the "Trust Funds"), which comprise the statement of financial position as at December 31, 2023, and the statements of revenue and expenses and change in fund balances for the year then ended, and notes to the financial statements, including a summary of significant accounting policies (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Trust Funds as at December 31, 2023, and the results of its operations for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards ("Canadian GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Trust Funds in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Trust Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Trust Funds or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Trust Fund's financial reporting process

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to the Financial Statements

December 31, 2024

1. Accounting policies

The financial statements of the Corporation of the Town of Pelham Trust Funds are prepared by management in accordance with Canadian accounting standards for not-for-profit organizations. Significant aspects of the accounting policies adopted are as follows:

(a) Basis of accounting

Sources of revenue and expenses are reported on the accrual basis of accounting. The accrual basis of accounting recognizes revenues as they become available and measurable; expenses are recognized as they are incurred and measurable.

(b) Investments

Investments are recorded at cost.

(c) Financial instruments

Cash, due to Town of Pelham and due from the Town of Pelham are recorded at amortized cost.

(d) Use of estimates

The preparation of the financial statements in conformity with Canadian accounting standards for not-forprofit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the period. Actual results could differ from those estimates.

2. Due to/from Town of Pelham

The amounts due to/from the Town of Pelham are unsecured, interest bearing with no specific terms of repayment.

3. Statement of cash flows

A statement of cash flows has not been provided as the related information is readily determinable from the financial statements presented.
