## Training Requirement

Attendance at a mandatory election training session is required for all election staff. Training sessions will be held during the week of September 14, 2026. Specific dates, times, and locations will be communicated to prospective election officials in advance. Election officials will be compensated for attending the training session.

*Applicants who do not attend mandatory training will not be permitted to work on Voting Day and will not be paid for training.*

## Additional Information

Submission of this application does not guarantee employment. Only applicants who are selected will be contacted.

Election officials scheduled to work on Voting Day are required to vote during one of the Advance Voting Days or by using an alternative voting method.

Every reasonable effort will be made to assign election personnel to polling locations within the ward in which they reside; however, this cannot be guaranteed. Placement in preferred positions is also subject to operational requirements and may not be possible in all cases.

Submission of a resume is not required; however, applicants may choose to include one to assist with placement considerations.

Telephone numbers collected through this application will be shared only with election officials at the assigned voting location and used solely for election-related contact during the scheduled shifts.

## Declaration

I declare that the information provided in this application for election employment is true and complete to the best of my knowledge. I understand that any false or misleading statements may be considered sufficient cause for removal from employment.
